January 06, 2012

Message:

It gives me immense pleasure to welcome all of you to the International Conference on Biosciences- Trends in Molecular Medicine of the Post Graduate Department of Biochemistry, Dwaraka Doss Goverdhan Doss Vaishnav College, Arumbakkam, Chennai 600 106, Tamil Nadu, India.

Certainly, this much deserved conference brings together the notable scientists, research faculties and students from all over the world to present and discuss about the recent progress and also future trends in the biological sciences, biomedical sciences, nanoscience and nanotechnology.

On this occasion, I would like to express my cordial gratitude to those who contributed to this International Conference on Biosciences - Trends in Molecular Medicine and concomitantly helped the event for its resounding success globally.

Being honored to be a member of the International Advisory Committee, I intend to extend my warm wishes to all the faculties, research scientists and students, and additionally encourage them to seize this moment of opportunity to be benefitted from the latest advancements in the field of biological sciences around the world. In that regard I must congratulate the conference organizers for their intense effort.

A handwritten signature in black ink, which appears to read 'Barur R. Rajeshkumar', is positioned above the printed name.

Barur R. Rajeshkumar, PhD
International Advisory Committee
