### MESSAGE

I have great pleasure in extending my cordial felicitations to the department of Biochemistry for organizing an international conference on an important perspective "Biosciences – Trends in Molecular medicine".

I am confident that the department of Biochemistry devoted to the cause of life science education will continue to render distinguished service in the coming years.

I wish the conference all success and trust that the brain storming sessions and deliberations will bring out new ideas and benefit the society at large.

  
CONVENOR
