MESSAGE

I am very happy to note that the Department of Biochemistry, Dwaraka Doss Goverdhan Doss Vaishnav College, is organizing an **"International conference on BioSciences - Trends in Molecular Medicine" (ICBTMM-2012)"** on February 7th & 8th 2012. The conference will provide a forum for interacting with the eminent scientists from well reputed institutions and I am sure that the conference will be of immense use to the students and faculty members. The outcome of the conference will add a feather on the cap of the institution. I wish the conference, a grand success.
